The petitioner has preferred the present petition under Section 29A(4) of the Arbitration and Conciliation Act, 1996, seeking extension of the mandate of the Arbitral Tribunal for completion of the arbitral proceedings and publication of the arbitral award.

Learned Counsel for the petitioner submits that vide order dated 13th November, 2024, this Court appointed a learned sole Arbitrator to adjudicate the disputes between the parties. The pleadings were completed

on 28th March, 2025. With the consent of the parties, six months extension was granted till 28th September, 2026.

The arbitral proceedings are presently at the stage of evidence, and the cross-examination of the respondent's witness is in progress.

Learned Counsel for the respondent no.1 states that he has no objection to the extension of the mandate of the arbitral tribunal.

Upon consideration of the submissions of both the parties and the materials placed on record, this Court is satisfied that there has been no undue or unwarranted delay on the part of the learned sole Arbitrator in conducting the arbitral proceedings.
