Order on Board

15.10.2026

1. This writ petition has been filed against the illegal action on the part of the respondent authorities as they are trying to demolish the structure of temple and yagyashala without giving any notice or opportunity of hearing to the petitioner.

2. Today, when the matter was taken up no one appears for the petitioner to contest the case despite repeated calls and from the perusal of the material on record it is evident that neither any notice or any order has been placed on record.

3. In such circumstances, neither the petitioner, nor any representation is made in his behalf to contest the case, though the petition pertains to the year 2021, this Court is left with no option but to deem the present case as having rendered infructuous.

4. Accordingly, the instant petition is dismissed as having become infructuous.
